### Message from Boosters

The purpose of providing a team meal before each game is to build team unity; and avoid transportation issues that occurs when leaving school and returning. It also ensures that players have the opportunity to eat before their games.

- ✓ Team Meals will be provided by Mountain Ridge Baptist Church.
- ✓ The players will walk to the church after school and will be served by the church staff.
- ✓ TEAM Meal purchase is NOT mandatory. However, coaches expect the players to be at the team meal. If your child chooses not to purchase a meal it is very important that they have food from home to eat on game days.
- ✓ Menus are Set; any questions or concerns contact MRHS Booster President Kristy Nakamura (cell 623-326-9200)
